- The **2009 Annual Golf Tournament** hosted June 11 at the Grande Prairie Golf & Country Club was a smash success. Over 100 golfers swung their way to a wide assortment of prizes. Many thanks to all who supported this event in every way, right from the golfers themselves, to the many sponsors, and particularly to the Golf Committee. Thank you Carol and Gord McLevin, Laura and Len Wangen, and Ken Gorgichuk. Because of your hard work, many smiles were enjoyed, as well it being a record-breaking day. Our contribution to the Sunrise House is the largest ever given. So thank you to the individuals & teams who donated to such a great cause!
